LOWER FOOD PRICES is compared to full service supermarkets by keeping operating costs low. We don't have "thick" floor staff, elaborate fixtures or big advertising budgets, or in store services like meat carving or baking. Quantities and/or selection (seasonal, national, organic) of items may be limited and not be available in all stores. No substitutions on advertised items or when quantities are advertised as limited. We reserve the right to limit purchase quantities per customer to approximate family requirements. See in-store for details. We are not obligated to sell items based on errors or misprints in geography or photographs. **PRICE:** All savings claims (e.g., "Save", "Was", "1/2 Price", etc.) are in comparison to our lowest regular retail price at the participating store. Savings on items shown may vary by store location. **APPLICABLE TO:** Members, or non-members, who are not PC Optimum members. **OUR PRICE** applies to select featured items in comparison to our regular retail price. **REGULAR PRICES** may vary by location. **COUPONS** must be presented and redeemed at time of purchase. **PRICE MATCH:** If a Major Supermarket Competitor in a store's Geographic Trade Area, advertises a lower price, for an identical or comparable item that we carry in stock, then we will match the competitor's lowest advertised price during the promotional period. We do not match prices for participating stores in other geographic trade areas. **FOR A LIST OF LOCAL COMPETITORS THAT ARE PART OF THAT STORE'S PRICE MATCH PROGRAM VISIT OUR WEBSITE.** The match exception items defined as same brand, item type (in the case of produce, meat and bakery, size and cut), or comparable items in the case of private label. For additional "Major Supermarket Competitor" information, visit our website. **ADVERTISING AND COMPENSATION:** Advertising and compensation terms vary by store location. See in-store for details. **PC OPTIMUM MEMBER ONLY:** These offers are only available to valid PC Optimum members. Membership is free. To register as a PC Optimum member, see in-store or visit pcoptimum.ca. We are not obligated to award points based on errors or misprints, for each value. See pcoptimum.ca for full program details including redemption restrictions. Minimum redemption: 10,000 points. These offers are not available for items that are sold out, discontinued, or otherwise not available for purchase. **Product availability may vary by store. While supplies last. We reserve the right to limit quantities. *Review the points specified when you spend the qualifying dollar amount on the featured participating products and/or categories before taxes and after redemption of all coupons and discounts are applied in a single transaction. **Not for sale for both PC Optimum and non-PC Optimum members. Taxes applicable to the purchase amount after discounts. PC Optimum member pricing is not applicable to any price match programs for participating stores operating under the Loblaw Inc. banner.**

***Fresh Guarantee:** Applicable to eligible fresh produce items purchased at the participating store or online at pcoptimum.ca. If you are not completely satisfied with your eligible fresh produce item, we will replace it with an identical item, or your choice of a comparable item and provide you with a refund of the purchase price upon presentation of the tags and your original receipt. 7 days of freshness at the participating store when purchased and used by the end of the shelf life. **Restocking:** Items are restocked weekly. **Blackout Dates:** Items are not available for purchase during blackout dates. **Time:** Items are available for purchase during the promotional period. **Quantity:** Items are available in limited quantities. **Limit:** Items are available in limited quantities. **Excludes:** Items that are sold out, discontinued, or otherwise not available for purchase. **Product availability may vary by store. While supplies last.
